NARRATIVE

(Ladson) On 3/17/2026 at 0740 hours, I, Deputy Turnbull, was notified by dispatch of a reported vandalism at Pinewood Dr., within Charleston County jurisdiction. Upon arrival, I met with the complainants, identified as Zachary Deacon (operator of the blue Chevrolet Express commercial van SC tag and Justine May (owner of the gray Volkswagen Atlas SC tag Both complainants stated that their back left tires were popped between 2200-0600 hours on 3/16-3/17. This is a repeat incident in this area.

Upon inspection of the Express and the Atlas, I visually confirmed that both back left tires had been popped, but was unable to find the puncture locations on either vehicle.

The Atlas was towed privately.

Deacon uses the Express as a work vehicle and is owned by Power Plus Systems LLC.

The suspect for these incidents is still unknown at this time.

There was no security footage captured.

NARRATIVE

On 03/23/2026 I, Detective C. Zappoli was assigned this case in reference to a vandalism.

On March 25, 2026, I met with victim Justine May at her residence of Pinewood Drive. Justine advised me that she has Ring cameras at her home that were not working the night of the incident but she has installed new ones and ensured they are currently working. Justine did not have any footage that would aid in identifying a suspect. I advised her if anything were to happen again to call law enforcement.

At this time all leads have been exhausted and this case will be administratively closed pending new evidence to reopen it.

NARRATIVE

(Ladson) On 08/10/2026, I (Deputy Ashe) responded to Pinewood Dr regarding a domestic disturbance. When I arrived on scene, Justine May was sitting inside her vehicle in the driveway. Justine stated that her and her now ex-fiancé, Zachary Deacon, have begun to separate over the last week. Justine stated that they have been together for eight years and engaged for five of those years. Justine stated that her and Zachary have two children in common which Juvenile 1 and Juvenile 2. Justine stated that her and Zachary live in the same residence.

Justine stated that she was staying the past couple of nights with her mother and had returned today. Justine stated that Zachary began to get upset at her because she was unable to bring their children with her to her mother's house. Justine stated that Zachary began arguing with her. Justine stated she tried to leave but Zachary followed her out of the house as she ran to her car. Justine stated that Zachary began slapping the car and attempted to impede her ability to leave by standing behind the vehicle and placing his foot behind a tire. Justine stated that Zachary walked away when she attempted to record him. Justine seemed shaken up from the incident and struggled to keep her composure, often taken breaks to catch her breath. I was unable to observe any manifestations of injuries on Justine and she would later tell deputies that it never got "physical". I was able to observe some hand prints across the driver side window.

While I was talking with Justine, I observed a couple of security cameras overlooking the driveway and asked her if she could get access to which Justine stated that it was her email connected to the

account, but it went through Zachary's phone.

While talking with Justine, Zachary came out of the garage and talked with deputies in the driveway. Zachary stated that Justine suffers from mental health issues, and was currently having an episode, but was unable to provide any proof. Deputies were unable to find any prior incidents involving mental health concerns regarding Justine and when I told Zachary this, he stated that they didn't think she needed to be treated for it. I asked Zachary if he was able to get access to the security cameras but stated that only Justine could get access to them, even showing me him attempting to use his Iphone's auto-fill on his login which was declined access. Zachary admitted to impeding Justine's ability to leave, stating that he was kind of standing behind her car. I asked Zachary about the hand prints to which he stated that it's also his car so he probably just pushed the car close at some point.

James Deacon arrived on scene later and stated that he was the father of Zachary. James stated that he was only made aware of the decline of the relationship recently but had come to help if it was needed.

Due to the inconsistencies in both party's stories, and both party not being able to access the camera footage, no charges will be pursued. Justine and Zachary agreed to separate for the night. Zachary agreed to keep the children at the house and if needed, James stated that he could assist with the children.

Nothing further to report.

NARRATIVE

On the above date and time, I responded to the incident location in reference to a requested welfare check on Zachary Deacon's ex-fiancée, Justine May, Deacon had contacted the Charleston County Sheriff's Office by telephone and requested that a welfare check be conducted on May his ex-fiancée. Deacon stated that he and May had separated approximately two weeks ago and that, over the past several days, May had been acting unusually and had stopped communicating with him and other family members. Deacon further stated that while he was babysitting , he noticed writing on a wall that caused him concern for the safety and well-being of the children. Upon arrival, I made several attempts to make contact with May. I was eventually able to make contact with her. May appeared to have just awakened. I explained the reason for my presence and May invited me inside the residence.

INCIDENT REPORT	CHARLESTON COUNTY SHERIFF'S OFFICE	CASE NUMBER 2026010269
-----------------	------------------------------------	---------------------------

Once inside, I was able to check on the two children. Both children were located in bed and appeared to be sleeping. I did not observe any immediate signs of distress or any other issues involving the children or the condition of the residence.

May stated that she simply wanted space from Deacon and other family members. May stated that she had previously informed others that she wanted space, which was the reason she had not been communicating with them. I questioned May on the writing on the wall that Deacon was considering but she stated that Deacon had written that on the wall when he was watching the kids on 8/23/2026. May further stated that another deputy had responded to the residence the previous day to conduct a welfare check and had determined that she and the kids were okay.

I did not observe any immediate issues or circumstances requiring further law enforcement intervention at the time of the welfare check.

I notified Deacon by telephone of my findings and advised him regarding available options for addressing any custody or family-related concerns through Family Court.

NARRATIVE

Ladson

On September 11, 2026, at approximately 1500 hours, I, Deputy Meisel, responded to 3280 Pinewood Drive regarding a reported mental health crisis in progress. Upon arrival, I made contact with the homeowner, Ms. Justine May. Ms. May appeared frustrated by law enforcement's presence and immediately asked who had contacted law enforcement on this occasion. Deputies have responded to this residence on multiple prior occasions involving Ms. May, including a domestic violence incident between Ms. May and her former boyfriend, Zachary Deacon, in August 2026, as well as subsequent welfare-check complaints concerning Ms. May

Most recently, on September 8, 2026, Deputies Denicola and Inglis responded to the residence

INCIDENT REPORT	CHARLESTON COUNTY SHERIFF'S OFFICE	CASE NUMBER 2026010873
-----------------	------------------------------------	---------------------------

regarding a welfare check based upon allegations concerning Ms. May's mental health, the condition of the residence, and the welfare of The South Carolina Department of Social Services also responded to the residence. The allegations made regarding the condition of the residence and welfare of the children were determined to be unfounded.

The complainant regarding today's incident was identified as Denise, Ms. May's mother. Denise alleged that Ms. May was experiencing a mental health crisis and had been posting unusual statements on social media, including references to being a "goddess of the night."

Ms. May stated that following the prior domestic violence incident involving Mr. Deacon, she again discontinued and attempted to terminate communication with him. According to Ms. May, despite being told to leave her alone, Mr. Deacon has continued contacting her by telephone and text message over approximately the previous two months. Ms. May further stated that Mr. Deacon has continued alleging that she is experiencing mental health issues and has been an ongoing source of the welfare concerns being reported regarding her and . Ms. May stated Mr. Deacon has now involved her mother in these continuing allegations and attempts to intervene in her personal life. During my investigation, Ms. May provided screenshots documenting repeated telephone calls and text-message communications from Mr. Deacon. The communications included Mr. Deacon referring to Ms. May as delusional, a liar, in denial, and secluded. Mr. Deacon also referenced DSS involvement and told Ms. May that DSS had an open case involving her and that posting material on Facebook made her "look bad." Deacon further communicated that Ms. May was "spiraling," that he was never going to turn his back on her, and that she needed to "get a grip on reality."

Ms. May additionally reported that Mr. Deacon has repeatedly driven past her residence despite her requests that he cease contact and leave her alone.

During my interaction with Ms. May, I did not observe circumstances consistent with the allegations that prompted today's mental health response. Ms. May was able to communicate with me regarding the circumstances surrounding the repeated law enforcement contacts. I observed the residence to be clean and orderly and observed two young children who appeared healthy, appropriately cared for, and well-fed. I observed no immediate condition requiring emergency intervention. These observations were also consistent with the previous September 8 response, during which the allegations concerning the condition of the residence and welfare of the children were determined to be unfounded following law enforcement and DSS involvement.

The totality of the circumstances indicates an ongoing course of conduct following the deterioration of the relationship between Ms. May and Mr. Deacon and the domestic violence incident occurring between the parties in August 2026. This course of conduct includes repeated and unwanted telephone and electronic communications despite Ms. May's requests that Mr. Deacon cease contact, continued communications concerning Ms. May's alleged mental health condition and DSS involvement, alleged repeated drive-bys of Ms. May's residence, and continuing welfare concerns being reported to law enforcement concerning Ms. May and her children.

South Carolina Code 16-3-1710(B) defines Harassment in the Second Degree as a pattern of intentional, substantial, and unreasonable intrusion into the private life of a targeted person that serves no legitimate purpose and causes the targeted person, and would cause a reasonable person in that position, to suffer mental or emotional distress. The statute specifically provides that the conduct may include verbal, written, or electronic contact that is initiated, maintained, or repeated. Pursuant to 16-3-1710(D), a "pattern" consists of two or more acts occurring over a period of time, however short, evidencing a continuity of purpose.

Based upon my investigation, Ms. May's statements, the prior documented law enforcement responses, the history between Ms. May and Mr. Deacon, and the screenshots and communications provided by Ms. May documenting repeated contact from Mr. Deacon, I determined that Mr. Deacon's conduct demonstrated an ongoing pattern and continuity of purpose rather than an isolated incident. The repeated and unwanted electronic and telephone communications continued despite Ms. May communicating that she wanted Mr. Deacon to leave her alone and constituted an intentional, substantial, and unreasonable intrusion into Ms. May's private life causing her mental or emotional distress.

Probable cause exists to believe Zachary Deacon committed Harassment in the Second Degree in

INCIDENT REPORT	CHARLESTON COUNTY SHERIFF'S OFFICE	CASE NUMBER 2026010873
-----------------	------------------------------------	---------------------------

violation of S.C. Code 16-3-1710(B). A warrant will be sought for Zachary Deacon for Harassment in the Second Degree.

The screenshots provided by Ms. Justine May have been burned onto a disc and submitted into evidence.

NARRATIVE

(Ladson) On 09/12/2026, I (Deputy Ashe) responded to Pinewood Dr regarding Mobile Crisis, requesting an escort to speak with Justine May. When I arrived on scene, I spoke with the Mobile Crisis evaluator, who stated that Denise Theriault called for Justine and added that Zachary Deacon was currently in the car with Justine in the area. I was aware that Zachary had a warrant out for his arrest for Harassment 2nd Degree. Mobile Crisis spoke with Justine, determined she didn't meet their criteria, and departed, providing Justine information on available resources.

I was able to get in contact with Zachary, who confirmed that he was in the area, and had him meet me at the Fair Ground Exchange in Ladson. When Zachary arrived with Denise, I detained him and had Dispatch confirm the jail had his warrant on hand. The jail confirmed they did have Zachary's warrant, and I took him into custody. I transported Zachary to Al Cannon Detention Center and lodged him. During the entire incident, Zachary cooperated with deputies completely.

Nothing further to report.
